Dear Dr Carnagarin

On behalf of the National Heart Foundation of Australia (Western Australian Division), it gives me great pleasure to confirm that you have been awarded the Miles Award.

The Award will provide you with the opportunity to enhance your research on cardiovascular disease, or visit a national or international centre of excellence, or attend a national or international conference to present your research findings.

Please indicate your acceptance of this award, by completing and returning the enclosed acceptance of award form to the National Heart Foundation of Australia (WA Division). On receipt of your acceptance of award form, a cheque will be issued to your institution of study, to the value of \$10,000.

As a condition of your Award, at the end of November 2018 you will be required to submit a one-page report to the Heart Foundation detailing how your 2018 Miles Award has/will be applied.

Congratulations on this outstanding achievement. The Heart Foundation is proud to support researchers of your exceptional calibre and we look forward to hearing about your progress.

Should you have any queries in relation to this award, please do not hesitate to contact me on (08) 9388 3343.

With best wishes -
